

Day 3 / Mumbai, April 25th, 2015

**2<sup>nd</sup> edition of India International Dairy Expo (IIDE) 2015: Phenomenal visitor quality, and the presence of leading pioneer brands has provided encouraging impetus to the dairy industry.**

**Over 4260 one time registered trade visitors excluding the delegates in the concurrent seminar came to the Bombay Convention & Exhibition Centre during April 23 to 25, 2015 to witness the latest technological developments happening in the dairy industry.**

The 2<sup>nd</sup> edition of IIDE concluded on a high note. Almost all the exhibitors from India and abroad have been over whelmed by the response & quite satisfied with the quality and quantity of the visitors who attended the trade fair. The presence of decision makers apart from the technical personnel from dairy cooperatives as well as private dairy product manufacturing companies was well appreciated by the exhibitors. Trade visitors and pioneers interacted during all the days of exhibition and have constructively absorbed latest insights into the technologies for the dairy industry. A total of 107 exhibitors from India and abroad including Europe Pavilion presented their products and technologies on the three trade fair days. The IIDE is today one of the best business platforms for networking & customized solutions for the Indian dairy industry.

Having both leading technology solutions providers to dairy industry like GEA, KHS, Inoxpa, Samarpan Fabricators, Repute Engineers, REDA, Milkylab, IDMC, Veripack, Kirloskar Pneumatics, Thermax, Isuzu, etc., and dairy product manufacturing companies like Gokul, Farmgate, Karnataka Milk Federation, etc. as exhibitors and presence of dairy farmers as visitors presented the complete value chain of dairy industry under one roof.

One of the notable features this time round has been the considerable increase in the number of exhibitors providing refrigeration and cold chain solutions. Live demonstration of machines and spectacular stand presentations brought the much-needed charm to the exhibition. The concurrent seminar jointly organized by Indian Dairy Association – West Zone witnessed various discussions on new technologies for milk processing. IIDE has continued its support towards industry by acting as a great platform for buyers and sellers of technological solutions for the dairy industry to engage discussions to facilitate more business for future.

The exhibition was inaugurated by Mr. Sarangdhar R. Nirmal, Chairman & Managing Director, Prabhat Dairy Ltd. in the presence of Mr. R.D. Kokane, Vice
